£ 6,306

THORNYCROFT
 MARINE ENGINES

Description

Thornycroft TK-60 Four Cylinder Heat Exchanger Cooled Marine Diesel Engine Package Complete With PRM 150 Gearbox, Control Panel, Extension Harness and Flexible Engine Mountings. Brand new with full manufacturer's warranty. Special Winter Repower Offer – 25% discount on all orders placed before March 31st 2021 Regular Retail Price £8,408.00 Ex VAT Repower Offer Price £6,306.00 Ex VAT That's a massive saving of £2,102.00 Ex VAT!!!! Designed and produced in the UK specifically for heavy displacement vessels both leisure and commercial. Based on a 2.4L mechanical injection engine producing 57hp @ 3000rpm, this engine produces masses of torque and is very efficient as it produces peak torque very low down in the rev range. Wide range of gearbox and instrumentation options available to suit all requirements, as well as many other useful factory options available such as a gear driven hydraulic PTO pump, second alternator and deck wash / bilge pump to name a few. Retail price quoted is for a standard engine package but can also be supplied as a bobtail engine with SAE4 flywheel housing to allow re-use of an existing gearbox or for a power pack application. Adaptors to suit existing transmissions and pumps available on request. Trade enquiries welcomed and trade discount will be offered for genuine commercial enquiries. Part exchange very welcome. Please message or call our office on 01935 83876 for further information.
